(c) Both the installments of the Purchase Price and the interest on the unpaid balance thereof are payable in lawful money of the United States of America, at the time of payment.

(d) Payment of interest on the unpaid balance of the Purchase Price shall be made by the County on each Interest Payment Date to the Registrar. Payments of the principal installments of the Purchase Price shall be made on each Installment Payment Date to the Registrar. The Registrar shall forward all such payments (other than the final installment of the Purchase Price) to the person appearing on the books of the County maintained by the Registrar as the Registered Owner, by check or draft mailed to the Registered Owner at the address of the Registered Owner as it appears on such registration books or, if the Registered Owner is a trustee who has issued certificates of participation in this Agreement, by wire transfer to such Registered Owner to the bank

The ownership of this Agreement may not be transferred or assigned, except upon the written approval of the County.

(b) The original Seller is the original Registered Owner. This Agreement shall be transferable only upon the written approval of the County and upon the books of the County maintained for such purpose by the Registrar, at the written request of the Registered Owner as then shown on such registration books or his attorney duly authorized in writing, upon presentation and surrender thereof, together with a written instrument of transfer substantially in the form attached hereto as Exhibit C, or as may otherwise be satisfactory to and approved by the Registrar in writing, duly executed by the Registered Owner or his attorney duly authorized in writing. Upon the surrender for transfer of this Agreement, the Registrar shall complete the Schedule of Transferees attached hereto as Exhibit D with the name, address and tax identification number of the transferee Registered Owner, the date of the transfer and the outstanding principal balance of the Purchase Price as of the date of transfer; provided, however, that if there is any conflict between the information set forth in Exhibit D hereto and the registration books maintained by the Registrar, the information shown on such registration books shall control.

The County and the Registrar may deem and treat the person in whose name this Agreement is registered upon the books of the County maintained by the Registrar as the absolute owner of this Agreement, whether any payments hereunder shall be overdue or not, for the purpose of receiving payment of, or on account of, the Purchase Price and interest thereon and for all other purposes, and all such payments so made to any such Registered Owner or upon his order shall be valid and effectual to satisfy and discharge the liability upon this Agreement to the extent of the sum or sums so paid, and neither the County nor the Registrar shall be affected by any notice to the contrary.

For every registration of transfer of this Agreement, the County or the Registrar may make a charge sufficient to reimburse themselves for any tax or other governmental charge required to be paid with respect to such exchange or transfer, which sum or sums shall be paid by the person requesting such transfer as a condition precedent to the exercise of the privilege of registering such transfer.

The County and the Registrar may charge the Registered Owner requesting such new Agreement their expenses and reasonable fees, if any, in this connection. If after the delivery of such substitute Agreement, a bona fide purchaser of the original Agreement (in lieu of which such substitute Agreement was issued) presents for payment such original Agreement, the County and the Registrar shall be entitled to recover such substitute Agreement from the person to whom it was delivered or any other person who receives delivery thereof, except a bona fide purchaser, and shall be entitled to recover upon the security or indemnity provided therefor or otherwise to the extent of any loss, damage, cost or expense incurred by the County and the Registrar in connection therewith.

ARTICLE IV

SECTION 4.1. Representations and Warranties of the County. The County makes the following representations and warranties:

(a) The County is a body politic and corporate and a political subdivision of the State.

(b) The County has the necessary power and authority to acquire the Development Rights, to enter into this Agreement, to perform and observe the covenants and agreements on its part contained in this Agreement and to carry out and consummate all transactions contemplated hereby. By proper action, the County has duly authorized the execution and delivery of this Agreement.

(c) This Agreement has been duly and properly authorized, executed, sealed and delivered by the County, constitutes the valid and legally binding obligation of the County, and is enforceable against the County in accordance with its terms.

(d) There are no proceedings pending or, to the knowledge of the County, threatened before any court or administrative agency which may affect the authority of the County to enter into this Agreement.

SECTION 4.2. Representations and Warranties of the Original Seller. The original Seller makes the following representations and warranties with respect to herself, but not with respect to any transferee Seller:

(a) The Seller has full power and authority to execute and deliver this Agreement and the Deed of Easement, and to incur and perform the obligations provided for herein and therein. No consent or approval of any person or public authority or regulatory body is required as a condition to the validity or enforceability of this Agreement or the Deed of Easement, or, if required, the same has been duly obtained.

(b) This Agreement and the Deed of Easement have been duly and properly executed by the Seller, constitute valid and legally binding obligations of the Seller, and are fully enforceable against the Seller in accordance with their respective terms.

(c) There is no litigation or proceeding pending or, so far as the Seller knows, threatened before any court or administrative agency which, in the opinion of the Seller, will materially adversely affect the authority of the Seller to enter into, or the validity or enforceability of, this Agreement or the Deed of Easement.

(d) There is (i) no provision of any existing mortgage, indenture, contract or agreement binding on the Seller or affecting the Land, and (ii) to the knowledge of the Seller, no provision of law or order of court binding upon the Seller or affecting the Land, which would conflict with or in any way prevent the execution, delivery, or performance of the terms of this Agreement or the Deed of Easement, or which would be in default or violated as a result of such execution, delivery or performance, or for which adequate consents, waivers or, if necessary, subordinations, have not been obtained.

(e) There exist no liens or security interests on or with respect to the Land (other than Permitted Encumbrances), or such liens or security interests will be released or subordinated to the Development Rights.

(g) The Social Security Number of the Seller, Clyde C. Hall is _____ and the Tax Identification Number of the Seller, Little Farm, LLC is _____. The Seller shall, upon request of the County, execute Treasurer Form W-9 and deliver the same to the County for filing.

The representations in subsections (f) and (g) above are made under penalties of perjury and the information contained therein may be disclosed by the County to the Internal Revenue Service. The Seller acknowledges that any false statement in such subsections could be punished by fine, imprisonment or both.

ARTICLE V

PROVISIONS RELATING TO EXCLUSION OF INTEREST FROM INCOME FOR FEDERAL INCOME TAXATION

SECTION 5.1. Intent of County and Tax Covenant of County. The County intends that the interest payable under this Agreement shall not be includible in the gross income of the Registered Owner for purposes of federal income taxation pursuant to Section 148 of the Code. Accordingly, the County shall not knowingly take or permit to be taken any other action or actions or omit or fail to take any action, which would cause this Agreement to be an "arbitrage bond" within the meaning of Section 148 of the Code, or which would otherwise cause interest payable under this Agreement to become includible in the gross income of any Registered Owner for purposes of federal income taxation pursuant to Section 148 of the Code.

SECTION 5.2. Acknowledgment of Seller with Regard to Tax Consequences of Transaction. The Seller has received an opinion from Miles & Stockbridge P.C., Bond Counsel, dated the date hereof, to the effect that under existing laws, regulations, rulings and decisions, interest payable under this Agreement is not includible in the gross income of the Seller for federal income tax purposes, which opinion assumes continuous compliance with certain covenants in the Tax Certificate and Compliance Agreement to be executed and delivered by the County on the date of delivery of this Agreement and is otherwise limited in accordance with its terms. The Seller acknowledges that they have made their own independent investigation and have consulted with attorneys, accountants and others selected by the Seller in the Seller's sole discretion with respect to all other tax considerations related to the transaction contemplated hereby (including, but not limited to, installment sales treatment under Section 453 of the Code, charitable contribution deductions under Section 170 of the Code, and federal estate tax implications); and the Seller certifies that the Seller has not looked to or relied upon the County or any of its officials, agents or employees, or to Bond Counsel, with respect to any of such matters.

ARTICLE VI

THE REGISTRAR

SECTION 6.1. Appointment of Registrar. The Treasurer of the County, is hereby designated and appointed to act as Registrar for this Agreement.

SECTION 6.2. Change of Registrar and Appointment of Successor Registrar. The County shall have the right, subject to the terms of any agreement with the Registrar, to change the Registrar at any time by filing with the Registrar to be removed, and with the Registered Owner, an instrument in writing. Notwithstanding the foregoing, such removal shall not be effective until a successor Registrar has assumed the Registrar's duties hereunder.

SECTION 6.3. Qualifications of Successor Registrar. Any successor Registrar shall be either (a) the Treasurer of the County, (b) an officer or employee of the County, or (c) a bank, trust company or other financial institution duly organized under the laws of the United States or any state or territory thereof which is authorized by law and permitted under the laws of the State to perform all the duties imposed upon it as Registrar by this Agreement.

SECTION 6.4. Successor by Merger or Consolidation. If the Registrar is a bank, trust company or other financial institution, any institution or corporation into which the Registrar hereunder may be merged or converted or with which it may be consolidated, or any corporation

resulting from any merger or consolidation to which the Registrar hereunder shall be a party or any institution or corporation succeeding to the corporate trust business (if any) of the Registrar, shall be the successor Registrar under this Agreement, without the execution or filing of any paper or any further act on the part of the parties hereto, anything in this Agreement to the contrary notwithstanding.

ARTICLE VII

MISCELLANEOUS

SECTION 7.1. Successors of County. In the event of the dissolution of the County, all the covenants, stipulations, promises and agreements in this Agreement contained, by or on behalf of, or for the benefit of, the County, the Seller, any other Registered Owner and the Registrar, shall bind or inure to the benefit of the successors of the County from time to time and any entity, officer, board, commission, agency or instrumentality to whom or to which any power or duty of the County shall be transferred.

SECTION 7.2. Parties in Interest. SECTION 7.3. Binding Effect. This Agreement shall be binding upon and inure to the benefit of the parties hereto, their respective heirs, personal representatives, successors and assigns, including, without limitation, all Registered Owners from time to time of this Agreement.

SECTION 7.4. Severability. In case any one or more of the provisions of this Agreement shall, for any reason, be held to be illegal or invalid, such illegality or invalidity shall not affect any other provisions of this Agreement and this Agreement shall be construed and enforced as if such illegal or invalid provisions had not been contained herein or therein.

SECTION 7.5. Prior Agreements Canceled; No Merger. This Agreement shall completely and fully supersede all other prior agreements, both written and oral, between the County and the Seller relating to the acquisition of the Development Rights. Neither the County nor the Seller shall hereafter have any rights under such prior agreements but shall look solely to this Agreement and the Deed of Easement for definitions and determination of all of their respective rights, liabilities and responsibilities relating to the Land, the Development Rights and the payment for the Development Rights. In addition, this Agreement shall survive the execution and recording of the Deed of Easement in all respects and shall not be merged therein.

SECTION 7.6. Amendments, Changes and Modifications. This Agreement may not be amended, changed, modified, altered or terminated except by an agreement in writing between the County and the then-Registered Owner. An executed counterpart of any such amendment shall be

attached to this Agreement and shall be binding upon such Registered Owner and all successor Registered Owners.
